

LANDING STRONG

Finding Growth Together Following Trauma

Help our Veterans and First Responders Find their way home:

Landing Strong seeking members for Board of Directors

Landing Strong is currently seeking passionate, innovative, community-minded individuals to join our Board of Directors in their dedication to our organization's vision and reach.

Landing Strong is a not-for-profit organization committed to supporting veterans, police officers, paramedics, fire fighters, health care professionals, correctional staff and other first responders who have been injured in service. If you are interested playing an active role in supporting these dedicated professionals, we would love to hear from you.

Landing Strong Mission:

Landing Strong helps those who are suffering find their place within their families and community and, just as importantly, reclaim their identity. Individuals are supported in a safe and inviting community. Support for families is also a key component of our vision.

Our Board of Directors is multi-disciplinary, creative, passionate, and committed to ensuring our organization is running optimally, to best serve our community. Board Members are involved in financial oversight, risk-management, and the guiding the organization's vision. Our Board of Directors provides ethical and legal governance, financial management policies, problem solving, and resource allotment decisions. The ultimate goal of the Board of Directors is to further the mission of Landing Strong and amplify our ability to change the lives of those living with Posttraumatic and Occupational Stress injuries.

Preferred Skills and Experience:

- Those with expertise in the legal requirements of not-for-profit organizations
- Those with knowledge of the finances and financial oversight of not-for-profit organizations
- Those with experience in governance
- Individuals with experience in risk management We are actively seeking to diversify our Board of Directors to ensure our community is accurately represented.

Landing Strong serves a culturally diverse population, and we would love to hear from individuals with first-hand experience in the veteran/first responder community, members with ethnically diverse backgrounds, and members of the LGBTQ2S+ community.

This is a volunteer position, requiring a commitment to attending quarterly Board Meetings (evenings; 5-7pm) each March, June, September, and December and participate on subcommittees of interest. Board Members may be asked to provide support and insight on an as-needed basis. Interested applicants please submit resume and cover letter to: Chrystal Fuller cfuller@ns.sympatico.ca
